

THE MINISTRY OF EDUCATION OF THE RUSSIAN FEDERATION
THE NABEREZHNYE CHELNY STATE PEDAGOGICAL UNIVERSITY

The NCSPU
provides the opportunity
for the discovery of new people,
new ideas, the discovery of yourself and your possibilities

Dear friends!

Today, the Naberezhnye Chelny State Pedagogical University occupies a key position in the development of the educational environment of the city, the Republic of Tatarstan and Russia.

The mission of the university is to create the conditions for the full realization of the young people's talents; to train the specialists who will be best able to contribute to the development of a Russian education.

Our university presents a broad spectrum of training in various fields. From the very beginning of your studies, a highly professional academic environment will support you, guide your professional growth. We support our students' activities in the studies, science, in the manifestation of creative abilities and support them in their sporting achievements.

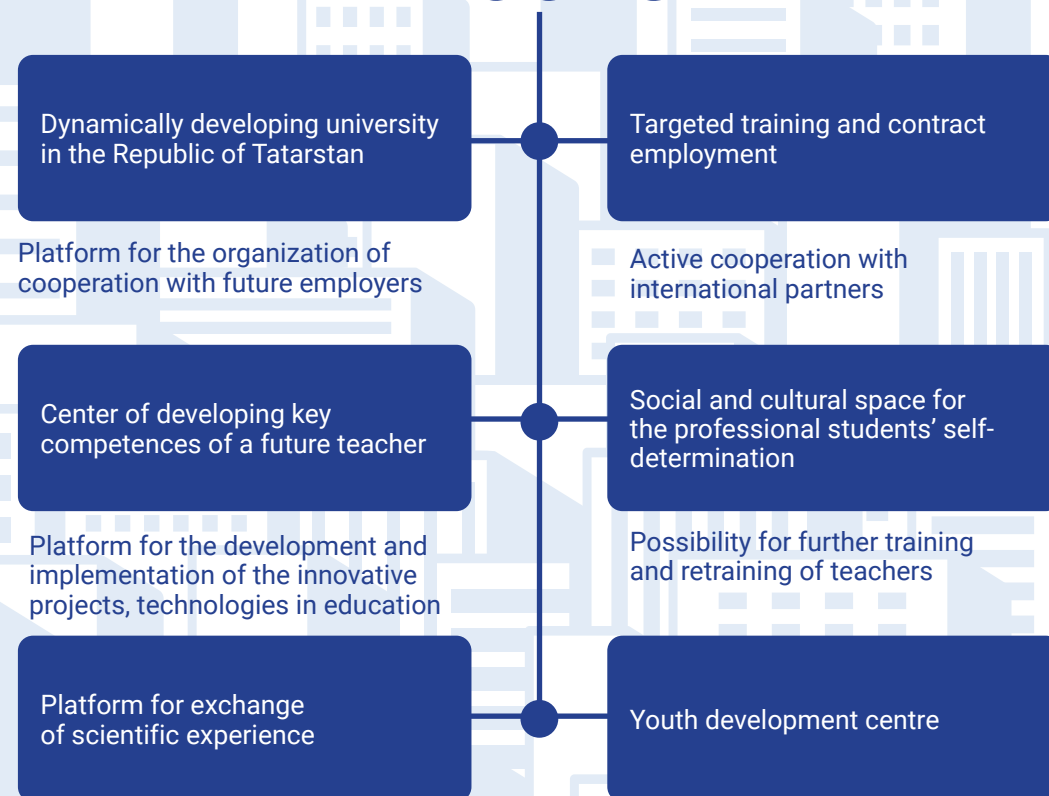

Our graduates achieve great success in their professional activities; and new career opportunities open up for them.

Rector,
Ph.D. in Economics, an Associate Professor

Alfinur Azatovna Galiakberova
