Requirements for the research paper

It is planned to publish a collection of Forum materials by the start of the conference. Publication with the assignment of UDC, Library-Bibliographical Classifications, ISBN will be sent to the Russian Research Citation Index and placed in “elibrary.ru” scientific electronic library.

The text of the article shall be in Microsoft Word format. A4 paper format. Margins shall be 2 cm on each side, one and a half spacing, no hyphens, Times New Roman font, 14 point. Articles of at least 5 pages (main part of the article) shall be accepted.

Please send an article, drawn up in line with the requirements and the example, to the editorial e-mail at rio@tatngpi.ru until 11th May 2025.

The manuscript and the author's application shall be sent as separate files by e-mail. Please indicate “Forum 2025”, section number, full name in the title of the e-mail.

Within 4 working days, the editors shall send a notification to the author about checking the article for originality and compliance with the relevance and subject of the article. Authors who have not received confirmation are requested to resubmit their materials or contact the Organizing Committee.

Several people can be the authors of one article.

Publication is free.

Publication shall be released on 28th May 2025.

The editors have the right to shorten and edit articles. All the articles shall be checked in the Anti-Plagiarism system. The originality of the text without quotations and bibliography shall be at least 70%.

It is not allowed to improve the originality of the text by means of technical and other unfair methods and it leads to exclusion of publication.

All articles shall undergo expert assessment. The author(s) of the publication take legal and other responsibility for all information specified in the publication.

The work shall be published in the author's typesetting, so it must be thoroughly prepared, proofread and shall not contain spelling and punctuation errors!

Working languages: Russian, English.

Articles can be submitted in any languages.

If the article is written in English or another language, then the publication format shall be in line with the example.

The publication will be sent to the Russian Research Citation Index and posted in "elibrary.ru" scientific electronic library.

Manuscript structure

UDC; in Russian: title of the article; Full name, abstract – a summary of the main ideas and results; keywords.

Duplicate this information in English.

If the article is written in another language (except Russian and English), then the information shall be in this language, as well as in Russian and English.

This is followed by the text of the article. In the text, references to the relevant sources should be placed in square brackets, for example, [2, ref. eleven]. Place tables and pictures at the end of the article.

The list of sources used shall be arranged in alphabetic order. The first publications are in Russian and in the languages of the peoples of Russia, and then followed by articles in foreign languages..
